2 Which animals don't live in Britain?

---

Where do they live?

---

---

---

Which two animals don't live anywhere?

---

3 Some animals are pets and they live in houses.

Some animals are used for work and meat. They live on farms.

Some animals are wild. They live in the countryside.

Where do these British animals live? Write a tick ➤ or a cross

X in the correct box.

Animal	Pets?	Farm Animals?	Wild Animals?
horse	➤	➤	X
frog			
goat			
spider			
dog			
sheep			
fox			
bee			
rabbit			

4 Write the names of four animals that live in your country but don't live in Britain.

Where do these animals live? Are they pets? Are they farm animals? Are they wild animals?

5 What is your favourite animal? Where does your favourite animal live? Is it a pet? Is it a farm animal? Is it a wild animal? Does it live in your country? Where does it come from?

Draw a picture of your favourite animal.
